

This Karaoke System is comparable to what you would experience going to professional Karaoke at a local bar. With menu books, high quality effects and an extremely large music selection. It is very easy to setup and we will train you on how to get things rolling and make your party pop. People who try this out, come back year after year for their annual parties.

Rental includes:

- 2 high power high fidelity loud speakers on stands
- 2 Professional Grade wireless hand held microphones
- Over 5000 songs organized into a 300 disc index with current hits
- 7 printed Song Books organized by Artist as well as Title
- Video screen on stand to display the lyrics with remote control
- Mixer board for controlling EQ and volume of music and vocal mics
- Built in digital effects processor with multiple effect types

\$200
per weekend
