

MAINS & MONITORS

This system is perfect for the a band PA at a corporate event or high end wedding and also makes a very serious DJ rig. It consists of a single 18" RCF 4-PRO8001 subwoofer per side at 1000 watts each and (2) 15" Yamaha DXR15 mains. The system comes with (6) Yamaha DXR12 powered floor monitors that sound phenomenal and with the digital console, these can be run each on their own mix!
